

THOSE WHO EXCEL EDUCATION RECOGNITION PROGRAM

2023-2024

CALL FOR NOMINATIONS

The THOSE WHO EXCEL Education Awards is an Illinois State Board of Education program that honors individuals who have made outstanding contributions to education.

Those Who Excel is sponsored locally by the REA and the Rockford Public Schools.

Everyone knows school district employees who are outstanding. Help us to recognize individuals who Excel, go above and beyond in their jobs by nominating that person to be honored. By nominating an individual, you can honor them and let the public know of the positive people and activities in our schools.

Those Who Excel honors people in seven categories: classroom teacher, administrator, licensed support personnel, non-licensed personnel, school board member/community volunteer, early career educator (2nd -5th year teacher), and team (5 or fewer people with a unique program).

Instructions:

1. Nominees (except volunteers) and Nominators must be employees of District #205 or contracted employees. Teachers must be REA members. Complete and return electronically the on-line Nomination Form. Link for nomination forms can be found at REA website.
